WHAT IS A SUSTAINABILITY HACKATHON?

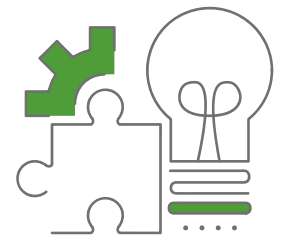

CHALLENGE

HUMANS HAVE ADOPTED UNSUSTAINABLE PATTERNS OF BEHAVIOR WHICH THREATEN OUR FINITE PLANETARY RESOURCES. WE MUST DESIGN NEW STRATEGIES, DEVELOP NEW TECHNOLOGIES, AND RESTRUCTURE OUR SOCIETAL HABITS IN ORDER TO TAKE STEPS TOWARDS A MORE SUSTAINABLE FUTURE.

GREENHACKS SEEKS TO OFFER A PLATFORM FOR COMPETITIVE IDEATION AND CREATIVITY TO SPARK **INNOVATIVE AND SUSTAINABLE SOLUTION DESIGN**. THROUGH THE HACKATHON FORMAT, WE BRING TOGETHER FORWARD-LOOKING STUDENTS, FACULTY MEMBERS, SUSTAINABILITY ORGANIZATIONS, AND COMPANIES INTO ONE SPACE FOR THE PURPOSES OF **INTERACTION AND COLLABORATION**.

MISSION
